

BEWI 2009 Ski + Snowboard Expos EXHIBITOR CHECKLIST

Below is a list of the most important upcoming deadlines regarding your participation in BEWI's Ski & Snowboard Expos. Everything may not apply to your company's participation, but please make a note of all those that do (i.e. if you ordered an accessory package with your booth and that's all you need for furniture, you do not need to worry about the Decorator Order deadline). In many cases the deadline is not actually the last day you can order something but an early-order deadline. After this listed date you will likely pay a higher price for the service. Please review the Exhibitor Letter and/or webpage (www.bewisports.com/expoinfo.cfm) for more info including who to contact to order the various services.

It is almost always easier and cheaper to order things in advance!
